THE Catalogue of Copyright Entries is published in four parts. Part 4, issued quarterly, is arranged in three alphabets of proprietors, with subalphabets of titles as follows:

Under the act of March 4, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

In the case of pictorial contributions to periodicals, only 1 copy of the pictorial contribution is required.

The annual index of proprietors, portraits, principal artists, and motion-picture titles is furnished for this part in the final issue for the year. The subscription price for part 4, which must be for the complete calendar year, is $0.50 a year, payable in advance to the Superintendent of Documents by postal money order, express order, or New York draft.

THE Catalogue of Copyright Entries is published in four parts. Part 4, issued quarterly, is arranged in three alphabets of proprietors, with subalphabets of titles as follows:

1913

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 4, issued quarterly, is arranged in three alphabets of proprietors, with subalphabets of titles as follows:

I. Containing Class G, Works of art (giving a list of the photographs or other identifying reproductions deposited according to law with the applications for copyright of Drawings, Paintings, Statues, Statuary, and Models or Designs for works of art).

II. Containing titles for Class H, Reproductions of a work of art; Class I, Drawings or plastic works of a scientific or technical character; Class J, Photographs (except Moving pictures); and Class K, Prints and pictorial illustrations.

III. Containing titles for Class L, Motion-picture photoplays; and Class M, Motion pictures other than photoplays.

Under the act of March 4, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "G," Class G, Works of art; "H," Class H, Reproductions of a work of art; "I," Class I, Drawings or plastic works of a scientific or technical character; "J," Class J, Photographs; "K," Class K, Prints and pictorial illustrations; "L," Class L, Motion-picture photoplays; and "M," Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work, followed by date of publication. "© 1 c." stands for copyright registration of an unpublished work, followed by date of receipt in the Copyright Office of the photograph or other identifying reproduction; and "2 c." for 2 copies, followed by the date of their receipt. In the case of pictorial contributions to periodicals, only 1 copy of the pictorial contribution is required.

The annual index of proprietors, portraits, principal artists, and motion-picture titles accompanies this issue. The subscription price for part 4, which must be for the complete calendar year, is $0.50 a year, payable in advance to the Superintendent of Documents by postal money order, express order, or New York draft.

THE Catalogue of Copyright Entries is published in four parts. Part 4, issued quarterly, is arranged in three alphabets of proprietors, with subalphabets of titles as follows:

In the case of pictorial contributions to periodicals, only 1 copy of the pictorial contribution is required.
